

Emergency Room Tech Cover Letter

227 Linsey VillageRenaldofurt, MD 53122-1739

Dear Morgan Metz,

In response to your job posting for emergency room tech, I am including this letter and my resume for your review.

In my previous role, I was responsible for follow up progress notes on all cardiac patients undergoing cardiac surgery and/or interventional procedures.

My experience is an excellent fit for the list of requirements in this job:

- Emergency Medical Technician certification by the Texas Department of Health is preferred
- National Registry certification status throughout employment as ER Tech at GW preferred
- Certification as a Paramedic preferred
- Ultrasound guided IV skills
- High School Diploma, Certificate of Attendance, Certificate of Completion, or GED
- EMT Emergency Medical Technician
- Certified Nurse Assistant OR Nursing Student with first clinical completed OR Certified as an EMT OR LPN with current IL license
- Current EMT or ERT Certification

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Avery Osinski
