

Emergency Room Tech Cover Letter

5128 Gibson Tunnel Talishamouth, NM 12952-7548

Dear Morgan Gleichner,

Please consider me for the emergency room tech opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for strategic advice with expertise in alert and warning functions with specifications in Alerting Authorities IPAWS training, tests, and exercises.

My experience is an excellent fit for the list of requirements in this job:

- Regular exposure to the risk of blood-borne diseases
- Basic Life Support Certification within 90 days of hire
- Previous phlebotomy experience and/or EKG experience preferred
- Under the general supervision of the Director of Emergency and Trauma Services, the
- EMT identifies and implements interventions that have less predictable outcomes
- The EMT functions as a member of the emergency care team
- As delegated by the RN, operates patient monitoring equipment, records, rhythm strips, runs 12 lead EKGs, biomarkers and glucometer readings
- Transports patients to radiology and nursing units utilizing appropriate transport and monitoring equipment

Thank you for your time and consideration.

Sincerely,

Zion Koepp
