

Engineer Lead Cover Letter

717 Romaguera Throughway MacGyvershire, WA 86276-4885

Dear Gray Frami,

I am excited to be applying for the position of engineer lead. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for expert knowledge of application architecture and design while consulting with business, supplier partners, and ICT peers.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Able to work independently and produce positive results
- Pays strict attention to detail
- Understands importance of accuracy and responsiveness
- Juniper JCIE and JUNOS Subject Matter expert
- Network Routing/Switching and IPT Subject Matter Expert
- CCIE VOICE - written or equivalent in Avaya with a CCVP
- CCIE or CISSP Security
- In depth understanding of Cisco Unified Communications including Cisco CUBE

Thank you for taking your time to review my application.

Sincerely,

Skyler Schaden
