

Engineer Supervisor Cover Letter

586 Vanesa CornersDustychester, TX 82222-8178

Dear Cameron Hudson,

I am excited to be applying for the position of engineer supervisor. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for fault management on specific network nodes: point to point and point to multipoint microwave radio relays, SDH&DWDM MUX, ATMĐ switches.

Please consider my qualifications and experience:

- Skilled in multiple craft coordination
- Technical skills for maintenance, construction, or project work
- Good understanding of safety and environmental procedures and requirements for maintenance, construction, or project work
- Proficient in the use of standard office software
- HVAC and Tile experience preferred
- Proficient using common software (MS Word, Excel, Power Point, Minitab)
- Experience of supervision activity working in the utility sector
- NRSWA Units 1-16 for Excavation/ + Reinstatement + Supervision

Thank you for your time and consideration.

Sincerely,

Armani Feil
