

Engineering Professor Cover Letter

6604 Schuppe Village East
Jonasside, OR 54126

Dear Phoenix Harris,

I would like to submit my application for the engineering professor opening. Please accept this letter and the attached resume.

Previously, I was responsible for leadership in the ongoing development of an innovative and current curriculum in the Manufacturing Technology program (AAS) and CTE courses in Advanced Manufacturing to prepare students for transfer and career opportunities.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Interest in laboratory-based, hands-on instruction
- Interest in promoting diversity
- Willingness to teach in multiple areas of the undergraduate and graduate mechanical engineering curriculum
- Versatility in teaching capabilities
- Willingness to serve the department, institution, and profession through active participation in committees and professional societies
- Able to complement our practice-oriented program and show potential for excellence in teaching
- PhD in Electrical and Computer Engineering, or related discipline
- Exceptional interpersonal skills, strong publication record, a commitment to research and teaching excellence, and the potential to develop a vigorous extramurally-funded research program and participate in collaborative and interdisciplinary research

Thank you for your time and consideration.

Sincerely,
