

Engineering Professor Cover Letter

6659 Hartmann Motorway South Avery, NY 83470-1875

Dear Hayden Wolff,

I submit this application to express my sincere interest in the engineering professor position.

Previously, I was responsible for service to the School of Engineering and the University through student academic advising, advising student organizations, school educational outcomes assessment and related accreditation activities, and school committee and faculty committee responsibilities.

Please consider my experience and qualifications for this position:

- PhD in Industrial Engineering or a closely related field
- Demonstrated commitment to research and teaching excellence
- Potential to develop a vigorous extramurally-funded research program
- Published research findings in reputed academic journals
- Participated in funded research
- Written successful competitive grants
- Relevant industry and teaching experience
- Laboratory expertise

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Shae Block
