

Engineering Trainee Cover Letter

42153 Strosin Alley
Runtefort, RI 77757-4796

Dear Justice Hackett,

I would like to submit my application for the engineering trainee opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for advice to station engineering staff to allow them to troubleshoot problems and/or better understand, sustain and improve performance of equipment/systems/processes.

Please consider my experience and qualifications for this position:

- Assist team members in the development of applications, components, system to system interfaces and complete
- An Ontario Professional Engineering designation (P
- Station working experience is considered an asset
- Familiar with Solid Works or similar 3D CAD
- Assist station staff by contributing to the resolution of technical problems and implementation of approved solutions
- Keep informed regarding station performance of specified equipment/systems/processes
- Independently manage his/her work and make process improvements to benefit the company
- Fresh graduate with a keen learning aptitude is welcome to apply

I really appreciate you taking the time to review my application for the position of engineering trainee.

Sincerely,

Morgan Jacobi
