

Engineering Trainee Cover Letter

17919 Kreiger ValleysNorth Israelton, KY 70102

Dear Lennon Okuneva,

In response to your job posting for engineering trainee, I am including this letter and my resume for your review.

Previously, I was responsible for technical evaluations and advice, solve problems and coordinate technical work as required, in a number of major work areas within safety analyses (Fuel and Fuel Channel, Dose Assessment, Core Physics, Thermal-hydraulics, Containment), in support of the safe operation of the Bruce reactors.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Previous experience of AMOS advantageous but not essential
- The unrestricted right to work and travel in the EU
- Will develop a strong knowledge of structured products
- Will learn the pricing techniques of these products
- Will improve his interpersonal skills
- Strong oral and written communication skills in English, Dutch and/or German preferred
- Good knowledge of Java/C++ programming language
- Knowledge in SQL and Database

Thank you for taking your time to review my application.

Sincerely,

Bellamy Terry
