

Environment Artist Cover Letter

91707 Brook Trafficway East Marshalltown, MT 68480

Dear Shiloh Ebert,

I submit this application to express my sincere interest in the environment artist position.

In the previous role, I was responsible for subject-matter expertise and training on Controlled Environments industry and implications to our business for our sales organization and distribution channel.

My experience is an excellent fit for the list of requirements in this job:

- Knowledge of high-poly to low-poly surface baking
- An excellent understanding of physical materials and how to replicate them in CG
- Knowledge of terrain creation is an advantage
- An understanding of the entire game art production process, from concept through to final
- Willingness to iterate, adapt and define new processes and pipelines
- Knowledgeable and keeps current with best practices in game art production and software applications
- At least one AAA Title shipped
- Experience working with cross discipline and external teams

I really appreciate you taking the time to review my application for the position of environment artist.

Sincerely,

Ari Ortiz
