

Equipment Support Cover Letter

2917 Dale VistaSylvesterland, IN 29433

Dear Bellamy Klocko,

Please consider me for the equipment support opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for clinical support to end item users of all facets of mechanical, electrical, and networked equipment.

My experience is an excellent fit for the list of requirements in this job:

- Sound awareness of risk assessments &method statements and working safely with equipment
- Sound knowledge of Safety, Health, Environmental and Quality including ISO 9001 & 14001
- Clean in date UK driving licence
- CAD/UG experience
- Familiarity with Air Force customer processes
- Knowledge of Air Force Technical Orders
- Experience working in unison with controls and electrical technicians on complex systems
- Reading and understanding mechanical detail and assembly drawings and bills of material, and experience redlining drawings and BOM's

I really appreciate you taking the time to review my application for the position of equipment support.

Sincerely,

Skyler Mohr
