

# Equipment Support Cover Letter

948 Shanda StreetsSouth Kennith, GA 65338

**Dear Haven Hoppe,**

I would like to submit my application for the equipment support opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for engineering support to regional/global customer base and inside/outside sales personnel by answering technical questions concerning equipment performance, applications, and electrical/mechanical characteristics.

My experience is an excellent fit for the list of requirements in this job:

- Managing moderately complex or multiple projects, coordinating and forecasting requirements
- Monitoring project performance and risks and take necessary corrective action
- Experience in supporting aircraft
- ASE Certification in a minimum of three categories
- Advanced electrical trouble-shooting abilities
- Some computer skills including excel and access based programs
- Ground Equipment Maintenance experience preferred
- Automotive work experience preferred

**Thank you for your time and consideration.**

Sincerely,

Bellamy Stroman
