

Equipment Support Cover Letter

3960 Jordan Mill East Lessie, FL 11679

Dear Landry Crooks,

I am excited to be applying for the position of equipment support. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for technical support to the Engineering department on the selection of mechanical equipment based on reliability improvements and industry best practices.

My experience is an excellent fit for the list of requirements in this job:

- SAP, TeamCenter
- Preferred Lifetouch photography experience
- Experience in Customer Service or Help Desk environments with skills in Problem Solving, Verbal Communication, Phone Skills, Quality Focus and PC Proficiency with database and spread sheet programs
- Able to work unusual hours at short notice, including overtime
- Knowledge of commercial CAD software (preferred Siemens NX, Teamcenter)
- Experience in various mechanical, pneumatic and electrical components is preferred
- Will perform various field level and limited sustainment maintenance actions on various ground support equipment
- Hands-on V-22 support experience and/or extensive experience with other helicopter models is preferred

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Dallas Lakin
