

# Equity Research Analyst Cover Letter

992 Hamill Rue Lake Nickside, IA 91848-9506

**Dear Blake Fritsch,**

I submit this application to express my sincere interest in the equity research analyst position.

In the previous role, I was responsible for guidance to the Finance team relating to chart of account issues and interpretation of accounting standards with respect to accounting transactions.

My experience is an excellent fit for the list of requirements in this job:

- Interest in understanding how the economic actors interact in the real economy
- Work with Portfolio Managers in identifying and evaluating with investment opportunities in private equity fund, secondary, and direct investment, conducting due diligence, analyzing cash flows and performance, and assisting in writing investment recommendations
- Conduct market and industry research, collect and analyze data on Asian private equity markets, firms and underlying fund portfolio investments
- Review offering memoranda, industry periodicals and tracking information
- Attend investor meetings with the Portfolio Managers
- Working experience and knowledge of business preferred
- Source and analyse investment ideas globally
- Critically evaluate fund managers' sustainable competitive advantages

**I really appreciate you taking the time to review my application for the position of equity research analyst.**

Sincerely,

Frankie Collins
