

Expert Software Engineer Cover Letter

8349 Lynch Falls Borerbury, NJ 60784

Dear Greer Kuhlman,

Please consider me for the expert software engineer opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for technical leadership and mentor software development peers, participate in pair programming, perform collaborative code reviews.

Please consider my experience and qualifications for this position:

- Solid expertise with HTML5, CSS3, AJAX, JQuery, Java Script – advantage
- AWS knowledge is an advantage
- Familiarity with micro services architecture is an advantage
- Demonstration of excellence communications and team work skill
- Proven proficiency and strong in Firmware/Software development
- An adventure in the cutting-edge field of digital map making
- An opportunity to work in AGILE environment – as a member of a scrum team
- Deep knowledge of Spring framework

I really appreciate you taking the time to review my application for the position of expert software engineer.

Sincerely,

Charlie McKenzie
