Dear Haven Schuppe,

Please consider me for the family opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for evidenced-based interventions to youth and families developed from the family-focused treatment plan with the Masters-level clinician.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Adhere to HIPAA rules and regulations
- Participate in self and peer evaluations
- Participate in fostering a safe workplace
- None (will train)
- Additional education/experience in early childhood education, child development, home visiting and at-risk families
- Act 33/34 Clearances and FBI clearance
- Certification in Parents As Teachers program (training provided by agency)
- Comfort working a variety of homes

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Baylor Lesch
