

Field Service Manager Cover Letter

92558 Dannie Freeway Lake Lyndaburgh, NM 06686

Dear Jordan Rodriguez,

I submit this application to express my sincere interest in the field service manager position.

In my previous role, I was responsible for technical assistance in identifying, evaluating, and developing operational best practices and procedures as they relate to the servers, systems and applications that are delivered.

Please consider my experience and qualifications for this position:

- Able to perform skilled work of considerable difficulty
- Meets deadlines and fulfills commitments
- Fundamental knowledge of the principles and practices of laboratory medicine
- Broad knowledge of the principles and practices of finance and cost based accounting
- Self-starting, motivated, hardworking, and flexible individual
- Foodservice management experience preferred
- Computer skills including proficiency with MS Office software (Outlook, Excel, Word, PowerPoint)
- Good decision-making and problem solving skills when handling challenging situations

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Shae Yost
