

Field Services Manager Cover Letter

60963 Carlena Ridges South Josue, UT 26211

Dear Skyler Robel,

I submit this application to express my sincere interest in the field services manager position.

In the previous role, I was responsible for oversight and governance by working with the business, processes, and procedures to accomplish project objectives and ensuring proper system and process utilization regarding various business activities in order to achieve cross-functional alignment and goals.

Please consider my qualifications and experience:

- Valid driver's license with clean and safe driver's record
- Strong knowledge of the oil and gas and construction industries
- Highly effective organizational, negotiation, and closing skills
- Well-developed business acumen, customer focus and demonstrated experience in driving operational improvement and innovation
- Management experience in complex matrix organizations/relationships
- Solid knowledge base in services / aftermarket business and applications, the mining and construction industry and its customers
- Strong leadership and "team player" skills
- Willingness to actively engage in problem solving opportunities

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Justice Bauch
