

Field Superintendent Cover Letter

984 Shyla Creek New Rolando side, LA 61197

Dear Reese Strosin,

Please consider me for the field superintendent opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for engineering for field hardware & software issues on escalators.

Please consider my experience and qualifications for this position:

- Provision of advice to Security and Emergency Management on environmental emergency preparedness and response
- Provide technical advice to close out environmentally related landholder grievances
- Add value to the business through redesign or streamlining of processes, coordination and communication
- Previous stormwater experience
- Mechanical power transmission experience
- Strong initiative, self-direction and motivation
- Experience coordinating M/E/P construction with C/S/A work activity working closely with contractors & craft in the field on FACILITES and BUILDING projects
- Prior experience managing contractors or supervising field operations

I really appreciate you taking the time to review my application for the position of field superintendent.

Sincerely,

Charlie Keebler
