

# Field Technician Cover Letter

70747 Harland Brooks North Leightown, WA 78613-4711

**Dear Brooklyn O'Hara,**

I submit this application to express my sincere interest in the field technician position.

Previously, I was responsible for software, hardware and network support for desktops, laptops, network devices, patching and cable connectivity.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- IDOT Level II Concrete
- IDOT Level III Asphalt
- Knowledge of soils, concrete, and bituminous concrete
- Knowledge of IDOT documentation
- S-33 Certificate
- Willing to enter manholes and sewers
- Knowledge/Safety of Nuclear Density Moisture Gauges
- Electrical/Electronics, low voltage cable installation, troubleshooting, some construction related job experience

**Thank you for taking your time to review my application.**

Sincerely,

Armani Schoen
