

Field Technician Cover Letter

28173 Tai DrivesMarquardtMouth, MN 12918-0142

Dear Armani Osinski,

I am excited to be applying for the position of field technician. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for software, hardware, and networking support for desktops, laptops, network devices, patching and cable connectivity.

Please consider my experience and qualifications for this position:

- Hands on technical experience in mechanical, electrical, or any of the basic sciences
- Basic knowledge of chemistry and chemical processes CBRNE experience (Chemical, Biological, Radiological, Nuclear Explosive) (preferred)
- Emergency Response Background HAZWOPER Certification (preferred)
- HNC or A Level Standard with an engineering or science bias
- Be computer literate (Microsoft Office & Lotus Notes applications)
- PLC familiarisation along with an understanding of instrument / electrical loop diagrams
- A recognized apprenticeship in either instrumentation or electrical
- Familiarity and experience utilizing SCCM

Thank you for taking your time to review my application.

Sincerely,

Jordan Sipes
