

Field Technician Cover Letter

9485 Gus Parkways North Natalie, NV 75056-3676

Dear Royal Volkman,

I would like to submit my application for the field technician opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for technical support for peripheral business tools i.e.: installing & debugging software, computer issues, network connectivity, printer access, how-to-guides, salesforce, box.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Cell site spares and repair return management
- Should be comfortable passing Drug and Background screenings
- General field experience an asset
- Minimum with Technical Certificate
- With Aeronautical education is preferable
- Knowledge of Helicopter engines will be an added advantage
- Safety Valves
- Leak Sealing

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Casey Grady
