

Field Technician Cover Letter

61507 Allan Squares New Lemuel, OK 70991-5889

Dear Greer Breitenberg,

I submit this application to express my sincere interest in the field technician position.

In my previous role, I was responsible for 1st line technical support for end-users computers hardware and software, printers, and network connectivity.

Please consider my qualifications and experience:

- Measure work site dimensions
- Mark reference points on construction materials
- Compact materials to create level bases
- Mix ingredients to create compounds for covering or cleaning surfaces
- Pour materials into or on designated areas
- Operate pumps or compressors
- Provide assistance to craft workers, such as carpenters, plasterers, or masons
- Maintain construction tools or equipment

I really appreciate you taking the time to review my application for the position of field technician.

Sincerely,

Stevie Keebler
