

Film Cover Letter

879 Klein BurgsO'Haraland, IL 89985-1915

Dear Ryan Kuhlman,

I would like to submit my application for the film opening. Please accept this letter and the attached resume.

Previously, I was responsible for competent and efficient technical service to our blown film customers for polyethylene resin selection, blown film processing and blown film equipment parameters to optimize their blown film equipment.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Previous experience in entertainment industry (especially home video) preferred
- An excellent knowledge of Maya and Houdini (or experience in other simulation software)
- Strong Python and/or Vex, Mel scripting skills
- Knowledge in other simulation packages such as Naiad, and realflow
- Experience with Arnold or other render packages
- Interest in French and Francophone cinema and French culture in general arts management
- Strong interest in Film
- A working knowledge of Renderman or Arnold

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Riley Stanton
