Film Cover Letter

3365 Rory CourtsZaneborough, NJ 28741

Dear Max Tromp,

I submit this application to express my sincere interest in the film position.

In the previous role, I was responsible for big-picture thinking and leadership to continuously elevate the Netflix film initiative and executives.

Please consider my experience and qualifications for this position:

- Strong Vex, hscript and/or Mel scripting skills
- Knowledge in other simulation packages such as Naiad
- Python and Unix shell scripting
- An excellent knowledge of Houdini
- Previous experience producing effects such as smoke, fire, clouds, water, steam and explosions in addition to simulation techniques for rigid-bodies, finite elements, PBD
- Experience within a film pipeline environment
- Strong collaboration and communication skills within a team environment
- Strong experience in scripting, Python, Mel, Vex, Hscript

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Sutton Hartmann
