

# Finance & Strategy Cover Letter

94282 Sherise Cove East Olindaton, MT 84820

**Dear Spencer Durgan,**

Please consider me for the finance & strategy opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for solutions related to business and technical data requirements for all aspects of reporting and analytics for the Finance organization.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- The marketing and finance teams for each EG/product group
- Energetic and engaging with a positive approach
- Prior experience in a strategy / consulting role desirable
- Clear and concise report writing
- Experience working in the consumer package goods or consumer durables industry
- Experience in sales/customer finance and with Gross-to-Net, pricing, and trade investments issues
- Flexibility with a strong commitment to solving problems and meeting deadlines
- Organizational agility, matrix and influencing skills

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Peyton Kreiger
