

# Finance & Strategy Cover Letter

293 Celeste Ways Jacobsfurt, MA 88362

**Dear Campbell Windler,**

I am excited to be applying for the position of finance & strategy. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for insights on business performance along with rolling forecasts related to customer, trade, product and related program investments.

My experience is an excellent fit for the list of requirements in this job:

- Software company experience, preferably SaaS
- Working knowledge of US GAAP accounting and financial principles
- Track record of success in leading FP&A functions in a high-growth SaaS/Cloud-based business, or similar company experience
- Extensive technical accounting knowledge and strong research ethic
- Supply Chain Finance / Plant Finance experience is preferred
- Product costing experience is preferred
- Knowledge of SQL, SAS and IDN preferred
- Intellectual curiosity, initiative and strong work ethic are essential

**Thank you for your time and consideration.**

Sincerely,

Landry Bogisich
