

# Finance & Strategy Cover Letter

8399 Gwyneth GroveLeschside, KY 65123

**Dear Tyler Blick,**

In response to your job posting for finance & strategy, I am including this letter and my resume for your review.

In the previous role, I was responsible for strategic business leadership to business partners by leveraging understanding of critical business drivers, industry information and financial expertise to enable the business to identify and solve business issues.

My experience is an excellent fit for the list of requirements in this job:

- Strong relationship leadership and conflict resolution skills - collaborating, influencing and coordinating with internal and external partners including Senior Leaders
- BS in Business, Accounting, Finance, or closely related fields
- A passion for driving sustainable performance and enabling business units to deliver their financial ambitions
- Best in class Excel and Power Point skills
- A track record of building and maintaining strong stakeholder relationships
- Experience with Institutional Products and financial support of Marketing
- Expertise in Access, Excel and gathering data for analysis
- To support these options with thorough analysis on the financials and commercial risks in order to create business cases that allow senior stakeholders to make considered decisions

**I really appreciate you taking the time to review my application for the position of finance & strategy.**

Sincerely,

Jordan Auer
