

Finance & Strategy Cover Letter

9028 Jacob MillLake Paris, NE 16293

Dear Gray Reichel,

Please consider me for the finance & strategy opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for finance leadership across the International Film Business Unit, partnering with the business and broader Finance community to provide financial expertise.

My experience is an excellent fit for the list of requirements in this job:

- Superior communication skills and analytical abilities combined with a high tolerance for ambiguity
- Agriculture industry and/or general commodities trading experience preferred
- Proficient with Microsoft Office product suite
- Extensive knowledge and experience in Economics and Financing
- Solid interpersonal and collaborative skills to effectively partner with internal client stakeholders
- Understanding the impact of digital / intelligent technologies on finance processes and strategy
- Significant experience creating bespoke financial models and analyses in Excel
- Intellectually curious and resourceful

Thank you for taking your time to review my application.

Sincerely,

Rowan Thiel
