

Financial Planning Analyst Cover Letter

8526 Douglas PinePort Edbury, HI 99454

Dear Quinn Brakus,

Please consider me for the financial planning analyst opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for direction to coordinate implementation and support for financial systems based software products to enhance current and future system functionality.

Please consider my experience and qualifications for this position:

- Solid working proficiency of spreadsheet / database tools (Excel, PowerPoint, Word)
- Drive, self-confidence and initiative to work cross functionally
- Experience in working with Investor Relations and Knowledge of International Financial Reporting Standards
- Proficiency in financial software and systems including Oracle, COGNOS, and Hyperion Planning
- Experience with Compass Reporting, Peoplesoft, and Costpoint financial systems
- Knowledge of the Peoplesoft and Costpoint billing systems
- Knowledge of accounting principles - Income statement and Balance Sheet
- Knowledge of the Horizon system and general forecasting principles

Thank you for your time and consideration.

Sincerely,

Story Parker
