

# Financial Planning Analyst Cover Letter

840 Ritchie FallsHenrytown, KY 21007

**Dear Max Anderson,**

I am excited to be applying for the position of financial planning analyst. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for daily support for BMO NB Investment Advisors and Products & Services team members on a wide range of tax planning issues with particular emphasis on Canadian personal and private company taxation.

My experience is an excellent fit for the list of requirements in this job:

- Computer skills including e-mail, word processing and spreadsheets
- CPA, AICPA, HFMA, CMA, CFP (Preferred)
- Experience in a Tier 1 or 2, or equivalent manufacturing and Finance environment, ideally combining experience as an analyst on a production site and in a central consolidating FP&A team
- Strong experience in income statement analysis and indicators validation and interpretation
- Experience with Hyperion or HFM
- Have a flair for numbers, work well with people, anticipate impacts of workload/issues to team deadlines and have a very positive work attitude including willing to work some longer hours during peak periods
- Capacity to make quick but rational decisions
- Chartered Accountant/Cost Accountant/MBA Finance

**Thank you for your time and consideration.**

Sincerely,

Lennox Kessler
