

Financial Planning Analyst Cover Letter

7119 Merrie Ford Hillston, PA 85073

Dear Campbell Beier,

I submit this application to express my sincere interest in the financial planning analyst position.

Previously, I was responsible for financial support to accomplish plans, including financial modeling, scenario planning, valuation, monitoring performance against strategic decisions with a moderate opportunity to impact the business.

My experience is an excellent fit for the list of requirements in this job:

- Advanced technical skills with financial and encounter based software programs such as Tableau, Hospital Advisor and Decision Tools
- Advanced expertise with database tools such as SQL Server and Access
- Able to independently prioritize multiple projects, brings projects to completions and meet deadlines
- Grasps and applies new concepts quickly
- Able to work in a high pressure, deadline oriented, and complex health care environment
- BS in Finance, Accounting or Economics (MBA & CPA preferred)
- Strong systems knowledge (Essbase preferred)
- An understanding of corporate finance concepts and FP&A best practices, including modeling, budgeting, forecasting, and KPI tracking

Thank you for your time and consideration.

Sincerely,

Marion Boyle
