

Financial Reporting Analyst Cover Letter

369 Marhta ForgesNorth Aletheafurt, MT 35088-5589

Dear Marion Fisher,

I am excited to be applying for the position of financial reporting analyst. Please accept this letter and the attached resume as my interest in this position.

In my previous role, I was responsible for interpretation and guidance on accounting theory and GAAP applications as related to Company transactions.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Previous experience with financial reporting and/or equity compensation is helpful
- Develop ratios and analysis on how staff costs are changing / developing over specified periods
- Total staff cost analysis (yoy / vs
- Trading Revenue
- Understanding where we have high churn / spend significant sums on buy backs will identify broad areas where we underpay vs
- Look at Unpaid and Client income
- Look into Research and Analysis
- Bachelors of Business Administration in Accounting or Finance preferred

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Reese Carter
