

# Financial Reporting Analyst Cover Letter

4761 Susana CrossroadNew Abigail, HI 65724-1668

**Dear Morgan Auer,**

I submit this application to express my sincere interest in the financial reporting analyst position.

In the previous role, I was responsible for general accounting support (journal entries, account reconciliations, etc.) in compliance with GAAP.

My experience is an excellent fit for the list of requirements in this job:

- Strong track record of analytical aptitude
- CPG or Manufacturing experience is ideal
- Exposure to IFRS and UK GAAP and an understanding of the financial reporting implications
- Experience preparing financial statements desirable
- Experienced in the preparation of annual audited financial statements and related disclosures
- Solid understanding of the NAIC's Statements of Statutory Accounting Principles and the application thereof
- Work location could be from either the Philadelphia or Harrisburg office
- Work location could be from either the Harrisburg or Philadelphia office

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Brooklyn Will
