

# Financial Reporting Analyst Cover Letter

61445 Schinner PortTabethaport, PA 15457

**Dear Briar Hilpert,**

I would like to submit my application for the financial reporting analyst opening. Please accept this letter and the attached resume.

In the previous role, I was responsible for guidance to Technology managers and project teams regarding appropriate GAAP accounting treatments for various project transactions in accordance with SOP 98-1.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Performance focused for both self & others
- Background in Supply Chain preferred
- Knowledge of economic and general accounting principles and practices (GAAP)
- Knowledge of business, financial and accounting principles involved in examining, verifying and analyzing financial reports, statements, and general ledger best practices
- Knowledge of general laws, government regulations and agency rules that pertain to a publically traded manufacturing operation
- Highly skilled and proficient with the use of personal computers
- Experience with Crystal or other report writing software is desirable
- Strong PC skills using Microsoft products with emphasis on Excel (e.g., v-lookup, pivot tables)

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Emerson Denesik
