

# Fixed Income Analyst Cover Letter

792 Homenick PassHesselmouth, NY 63234-9123

**Dear Max Pfannerstill,**

Please consider me for the fixed income analyst opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for analytic support, performance attribution and risk analysis for the Asia Fixed Income business.

Please consider my experience and qualifications for this position:

- Participate in build out and maintenance of global Data and Analytics infrastructure for Global Markets covering all the asset classes Equities, Rates, FX and Securitized Products
- Interact with Global Markets business to understand their business function and requirements
- Prepare BRDs (Business Requirement Documents), functional specifications
- Develop new service infrastructure to service market data / analytics to multiple applications globally
- Understand databases and systems
- Developing and enhancing data feeds
- Identify, analyse, communicate and resolve application, infrastructure and environmental issues and problems
- Knowledge of Excel/VBA would be added advantage

**Thank you in advance for taking the time to read my cover letter and to review my resume.**

Sincerely,

Ari Price
