

Fixed Income Analyst Cover Letter

8705 Anastacia Roads South Cornelia, WA 00589

Dear Phoenix Kautzer,

I would like to submit my application for the fixed income analyst opening. Please accept this letter and the attached resume.

Previously, I was responsible for thought-leadership on fixed income markets, with a particular emphasis on solutions based strategies.

My experience is an excellent fit for the list of requirements in this job:

- Finance, Economics, Engineering or Math background with strong academic performance
- Fluency in English, both verbal and written (interviews will be dominantly conducted in English)
- Advanced Excel User (functions, vlookup, etc)
- Bachelor or Master in Finance, Business Administration
- Basic knowledge of fixed income finance and option pricing
- Assist in valuation monitoring
- Should be well versed with excel / can create macros
- Assist the team with daily operations as necessary

Thank you for taking your time to review my application.

Sincerely,

Dakota Stehr
