I am excited to be applying for the position of fixed income research. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for analysis and assessment of fixed income securities that have encountered financial distress; supports proposals made by others to buy, hold or sell distressed assets.

Please consider my experience and qualifications for this position:

- Time management, organizational skills and efficiency
- Strong interest in municipal financing and analysis
- Experience in financial/budget analysis for municipal or not-for-profit entities
- Knowledge of and interest in economic and legal conditions and their impact on the financial profile of municipal entities
- Progress toward the CFA
- Masters of Business Administration or CFA charter holder preferred
- Working knowledge of various investment vehicles and investments, the international financial market, global credit
- Relevant market experience should include experience with Industrial corporate bonds, variety of other capital structure analysis skills

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

River O'Conner
