

Fixed Income Research Cover Letter

43689 Christopher IsleWest Orlandocheester, WI 13654-6264

Dear Briar Rippin,

Please consider me for the fixed income research opportunity. I am including my resume that lists my qualifications and experience.

In the previous role, I was responsible for holistic US Municipal Fixed Income (FI) coverage for the Private Bank and JPM Securities within Wealth Management covering FA's and Investor teams across regions.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Solid capabilities in Excel and financial information systems
- Team player with strong interpersonal skills and work ethic
- Willingness to take initiative, exercise independent judgment and act decisively
- Strong knowledge of credit markets, particularly fixed income products (corporate and public sector bonds, structured finance, leveraged loans, CDS, other derivatives)
- Prior experience in a bank or analyzing financial institutions
- Prior experience writing analytical reports and market trends
- Familiarity with Microsoft Excel and other productivity tools
- Familiarity with Windows, UNIX, and/or iOS

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Ari Paucek
