

# Fixed Income Research Cover Letter

5290 Runolfsdottir GrovePort Leonardohaven, MT 63144

**Dear Ari Prosacco,**

I submit this application to express my sincere interest in the fixed income research position.

In my previous role, I was responsible for oversight of all financial accounting processes for the organization's fixed income and equity investment portfolios.

My experience is an excellent fit for the list of requirements in this job:

- Sound accounting knowledge and strong financial modelling skills
- Fluent in legal concepts related to the restructuring process
- Microsoft Outlook Software
- Finance, Accounting, or other Business related majors preferred
- Sophomore, Junior, or Senior class level preferred
- Strong background in research and analysis
- Credit research or fixed income markets, and
- Environmental, social, or governance research, or

**I really appreciate you taking the time to review my application for the position of fixed income research.**

Sincerely,

Max Conroy
