

Fixed Income Trader Cover Letter

20007 Richard CircleTheostad, AZ 23468-6712

Dear Stevie Zulauf,

I would like to submit my application for the fixed income trader opening. Please accept this letter and the attached resume.

In my previous role, I was responsible for product expertise & knowledge in repo markets, particularly in tri party & securities lending.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Knowledge and experience of trading systems Bloomberg, Market Axess
- Confident and experienced to make decisions and recommendations
- Effective communications skills and collaborative
- Deep knowledge of liquidity providers across the fixed income spectrum including cash, futures, options and swaps
- EM and in particular Asia trading experience is essential
- The opportunity to work alongside deeply experienced professionals globally, being part of a global team which strongly emphasizes the importance of trading feedback and efficiency, and hence being fully integral part of the investment process
- Knowledge of CFETS
- Solid understanding of onshore fixed Income markets (CIBM/ Exchange market, interbank & stock exchange repo and derivatives)

Thank you for taking your time to review my application.

Sincerely,

Alexis Kiehn
