

Freelance Graphic Designer Cover Letter

7551 Ortiz MotorwayPort Ignaciashire, KS 86971

Dear Story Zieme,

I am excited to be applying for the position of freelance graphic designer. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for technical advice and guidance and serves as liaison with production personnel and print manager on design and technical graphic issues.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Fluent in the full Adobe Creative Suite, Sketch, Powerpoint and Keynote
- Comfortable with HTML/CSS for front end design styling
- At times, mentor other designers who need help with front end design styling
- Have experience designing responsively across mobile, tablet and desktop platforms
- Self starter with a positive and enthusiastic attitude
- Collaborate with creatives and business stakeholders to tell advertiser's stories with a journalistic approach, similar to the newsroom
- A sense of humor and thick skin are strongly recommend
- Strong passion for cycling

Thank you for considering me to become a member of your team.

Sincerely,

Max Vandervort
