

Full Stack .NET Developer Cover Letter

917 Melva PassConstancechester, OH 31419-4563

Dear Marion Johnson,

I would like to submit my application for the full stack .NET developer opening. Please accept this letter and the attached resume.

Previously, I was responsible for front-end frameworks technical expertise and back-end SQL expertise.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Good knowledge of C#, .NET and object oriented concepts
- Experience with ASP.NET MVC and MS SQL Server including Razor and EntityFramework
- Experience with JavaScript libraries, frameworks, and toolchains
- Front-end skills HTML5, CSS3, JavaScript including jQuery, Bootstrap
- Experience work under distributed version control TFS
- Experience developing and architecting web applications utilizing the full .NET stack, including .NET Framework, C#, ASP.NET MVC and SQL Server
- Expert understanding of OOP and OOD
- Intermediate+ (B1+) level of spoken and written English

Thank you for taking your time to review my application.

Sincerely,

Skyler Dare
