

FX Artist Cover Letter

28210 Weber Turnpike East Luannmouth, GA 42998-1531

Dear Campbell Sipes,

Please consider me for the FX artist opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for daily functional and technical support for front office/back office/related systems, system integrations and users in Asia.

I reviewed the requirements of the job opening and I believe my candidacy is an excellent fit for this position. Some of the key requirements that I have extensive experience with include:

- Experience creating film quality fluid dynamic systems
- Understanding of HDR concepts
- Understanding of dynamics like soft or rigid bodies
- Understanding image concepts like Color gamut, bit depth and curves
- Experience writing HLSL shaders or an equivalent like Renderman
- Knowledge at least one scripting language like Hscript, Vex, Mel, Lua, Python
- Experience with a programming language like C, C++, C#
- A strong understanding of Houdini

Thank you in advance for reviewing my candidacy for this position.

Sincerely,

Dylan Green
