

FX Artist Cover Letter

17276 Eneida Trail Zboncakburgh, SC 59726-3114

Dear Dylan Howe,

I submit this application to express my sincere interest in the FX artist position.

In my previous role, I was responsible for input regarding tools and interfaces to improve throughput.

Please consider my experience and qualifications for this position:

- Knowledge of MEL, Python and C++ an asset
- Working experience in Vray, Maya, Yeti & nCloth
- Experience with hair, fur and dynamics
- Good understanding for physically based simulation
- Mentor artists
- Understanding of how to create photorealistic effects
- Knowledge of particle systems
- Understanding of effect techniques used in games and film

Thank you for your time and consideration.

Sincerely,

Morgan Walsh
