

FX Trader Cover Letter

87785 Jimmie RapidPort Maryellenport, HI 10156-5515

Dear Corey Moore,

I am excited to be applying for the position of FX trader. Please accept this letter and the attached resume as my interest in this position.

Previously, I was responsible for analysis of market drivers, both in Developed & Emerging markets.

My experience is an excellent fit for the list of requirements in this job:

- Strong background dealing with the customers and brokers
- Programming skills in at least VBA
- Basic knowledge of G10 rates and FX options beneficial
- Experience with electronic market making and MIS preferred
- Relevant knowledge or experience on FX market and products
- Familiar with fund structure and dynamics
- Computer proficiency (Microsoft Excel, Visual Basic)
- More than 2yrs in relevant industry experience preferred

Thank you for your time and consideration.

Sincerely,

Corey Feest
