

# Game Artist Cover Letter

678 Porsche MissionBuckridgechester, CA 69836

**Dear Justice Robel,**

I am excited to be applying for the position of game artist. Please accept this letter and the attached resume as my interest in this position.

In the previous role, I was responsible for feedback to the Xbox tools teams, helping us create better platform tools for game artists.

My experience is an excellent fit for the list of requirements in this job:

- Understanding of LOD system in Unreal Engine 4
- Self-motivated work, working with and without direct supervision
- Shipped game titles using Unreal Engine 4
- General knowledge of particle effects creation inside Unreal Engine 4
- Experience in procedural modeling approaches like Houdini Engine
- Strong understanding of light map creation inside UE4
- Knowledge of Unreal Engine's Blueprint system
- Knowledge of Substance Designer

**Thank you for your time and consideration.**

Sincerely,

Phoenix Goyette
