

Game Developer Cover Letter

61101 Carmella CampNew Tommyborough, NV 75052-4137

Dear Casey Reichert,

Please consider me for the game developer opportunity. I am including my resume that lists my qualifications and experience.

In my previous role, I was responsible for technical expertise in the development of digital and social media analytics including data ingestion and processing.

Please consider my qualifications and experience:

- Strong code optimization skills and is able to parallelize workloads onto multiple CPU cores for maximum performance
- Willing to travel domestically and internationally on a regular basis
- Biochemistry interest
- Virtual Reality or Augmented Reality
- Unity, Unreal Engine, or other game engines
- Multicore programming
- A personal portfolio demonstrating skills/abilities, including game demos
- Strong Javascript/CSS background including game-specific development with HTML5

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Dakota Streich
