

# Global Talent Acquisition Cover Letter

67618 Bartoletti CliffDibbertmouth, ND 12764-0551

**Dear Reese Ondricka,**

In response to your job posting for global talent acquisition, I am including this letter and my resume for your review.

In the previous role, I was responsible for recommendations to TA leadership team to continually assess the effectiveness of recruiting tools and processes efficiently and/or improving over time.

Please consider my experience and qualifications for this position:

- Experience recruiting within the medical, life sciences, bio-tech, pharma, or related industries and/or recruiting for Corporate, Engineering, R&D, Sales, Marketing, IT within a mid to large matrixed organization
- Excellent understanding of talent acquisition practices within a global business
- Strong motivational skills with previous experience leading a diverse, global team inspiring members to work together around a common agenda in line with the strategic goals of the organisation
- Experience in developing and implementing an effective social media recruitment strategy
- A record of achieving results in increasing talent sourcing through improving direct hiring efforts, including increasing internal placements and global mobility
- Naturally curious with a drive to look externally into the market and understand the latest thinking within the Talent Acquisition arena
- Able to work in Bangkok office 3 days a week and Korat factory 2 days a week
- Knowledge of HR Related systems architecture, understanding of data flows across key applications and able to serve as a conduit between TA, Finance, HRIS, HR, and HR Business Process team

**I really appreciate you taking the time to review my application for the**

Sincerely,

Justice Jacobi
