

# Graduate Research Assistant Cover Letter

9186 Stroman Squares Keelingshire, LA 23789-3431

**Dear Ryan Kuhic,**

I submit this application to express my sincere interest in the graduate research assistant position.

Previously, I was responsible for data to the Texas Higher Education Coordinating Board to support development of new competency-based education programs throughout the state.

My experience is an excellent fit for the list of requirements in this job:

- Professional, friendly, and helpful demeanor
- Flexibility to respond to changing business demands
- Proficiency with relevant quantitative and qualitative data analysis platforms
- An interest in volunteerism or civic engagement
- An interest in working in low-income communities
- Experience customer service in an academic environment
- Competency in rodent handling and surgery
- Experience in using SPSS, SAS, Stata or R in large economic data set data management and analysis

**Thank you for your time and consideration.**

Sincerely,

Haven Hauck
