

Graphics Designer Cover Letter

728 Denisha Passage West Maribelfurt, IL 13584-6044

Dear Oakley Bashirian,

Please consider me for the graphics designer opportunity. I am including my resume that lists my qualifications and experience.

Previously, I was responsible for innovative and responsive design solutions from concept to completion, demonstrating strong typography skills and the application of graphic and digital design principles.

My experience is an excellent fit for the list of requirements in this job:

- Experience with Adobe Creative Suite, Adobe Acrobat, creative direction, and digital communications strategy
- Knowledge of brand design, art, and creative direction
- Excellent at collaborative design creating original artwork
- Strong working knowledge of printing, publishing, electronic/Web-based publishing, and/or graphics art procedures and related computer software
- Solid understanding of the fundamentals of user experience and graphic design principles
- Familiarity with web and mobile technologies, and their impact on feasibility of design solutions
- Research graphics trends to apply creative concepts strategically
- Strong design fundamentals

Thank you in advance for taking the time to read my cover letter and to review my resume.

Sincerely,

Spencer Stroman
